Christmas Party / December Club Meeting

We will be holding our Christmas Club Meeting at Chuck Spencer's home on Dec 11th. Eating will be at 6p and the brief meeting will start around 7p. Chucks address is: 410 Lakewood Dr., Lexington, NC 27292. The club will be providing BBQ with all the fixings to make sandwiches, drinks and chips. Feel free to bring other food entrees to share if you wish. And deserts are always welcomed to share. I hope many of you can make this Christmas gathering. We will be drawing some numbers for a \$20 and a \$50 gift certificate from Anderson RC to a lucky club member in attendance. I want to thank every club member for your continued support to our RC club. We are blessed to have such a great membership and all the work provided to maintain the Robert Satow RC Flying Field. It's your RC field, use it as much as possible.

New Club Officers

At our November club meeting, we held votes on new club officer and director positions. Fred Towler was elected as VP, Rob Watson was elected as Secretary, Mario Russo was elected as a director and David Holt was assigned the position as Safety Coordinator. All other continuing positions were affirmed with a vote of acclamation. I want to thank all the members for their support in the new year and all the elected club official for their time and contributions to the club. A special thanks goes out to Steve Tosi – Club Secretary Emeritus for his 21 years as club Secretary!

Food Donations for Christmas Food Bank

We will be collecting canned and boxed goods from now, until our December 11th club meeting. You can give your donations to me and I will make sure they get to the local Food Bank after our December meeting. Give me a call, text me or email me if you need for me to meeting you somewhere to receive your food donation.

Swap Meet Update

Of our 122 tables, we already have 42 wall tables (only 2 left) and 6 aisle tables reserved. That is over a 1/3 of our tables reserved and it is not even January. We're hoping for another sell out and a great Swap Meet on March 16th.

Remember: Takeoffs are Optional, but Landing is Mandatory!!
