### CPR & Emergency First Aid Training

The David Holt has taken the lead and setup CPR & Emergency Assistance training for our club members and immediate family members.

Class Date: Saturday July 20th 2024

Time: 8:00am to Noon

Location: Thomasville Parks and Recreation Office,  
1 East Main St., Thomasville, NC 27360

We can have up to 20 people and currently have 13 signed up. It will be on a first come, first serve bases for the other open positions, so if you want to attend, please let me know ASAP. I have attached a sheet with all the details.

### New Gate Lock and Keys

It has been over 10 years since Sam Weisensel (our land neighbor) installed the gate and lock at the drive entrance to our field and his land. Sam has recently shared concerns on the security of the properties and we have had a few discussions on this. Sam has placed a motion activated camera near the gate and is monitoring the people and traffic. After seeing some of the pictures of non-members, we both share some of the same concerns and feel it would be best if we consider getting a new lock and keys to better protect our properties and equipment. We will discuss the potential for a new lock and keys at our next club meeting.

### TAI By-Laws, Rules and Regulations

At our last club meeting, we had an in-depth review of the proposed Bylaws, Rules & Regulations. The TAI draft By-Laws, Rules & Regulations are ready for your review and scheduled to be voted on by all TAI club members. Please consider this as the 2-week notice required, per our TAI Bylaws, for voting on revisions to them. They are attached to this email for your convenience. Please carefully read thru these documents.

If minor changes are suggested, we can address these at our July 14<sup>th</sup> TAI Business Meeting, individually and add or subtract as needed, if the majority of members are in agreement prior to formally voting on all of the Bylaws, Rules & Regulations.

I will be taking Yes (Agree) or No (Disagree) proxy votes until the July 14<sup>th</sup>s meeting. If you are not able to be at the July 14<sup>th</sup> meeting, please exercise your duty as a TAI member to provide me your proxy vote. You can do this by texting, email or giving me a call 336-479-8900, [mfansler77@gmail.com](mailto:mfansler77@gmail.com)

**Remember: Takeoffs are Optional, Landing is Mandatory !!**
